PROFESSIONAL EXPERIENCE

Freelance 2D Animator / Motion Graphics Designer / Video Editor | Freelance

2023 – Present

- Create 2D animation, character animation, backgrounds, scene layouts, motion graphics, and visual storytelling content for YouTube and digital platforms.
- Edit social media videos, reels, short-form content, and real estate/property videos for digital marketing and social media promotion.
- Create character-driven horror, true-story, cartoon, informational, and entertainment content based on scripts and creative briefs.
- Handle animation and post-production workflows including compositing, video editing, pacing, transitions, and final delivery.
- Collaborate with clients and creative teams to understand requirements, refine visuals, and deliver production-ready content.

2D Animator | Bada Business Pvt. Ltd.

2020 – 2023

- Created 2D animated informational and story-driven content for digital platforms.
- Designed characters, backgrounds, scenes, and visual assets based on scripts and creative direction.
- Collaborated with writers and directors to translate scripts into storyboards, character designs, and animated sequences.
- Produced character animation, scene animation, motion graphics, compositing, and supporting visual content.
- Maintained visual consistency across characters, environments, and scenes throughout production.

2D Animator | Telyone Pvt. Ltd.

2018 – 2020

- Created 2D character animation and scene animation based on scripts and production requirements.

- Developed character poses, expressions, movement, and visual sequences for animated content.
- Worked on character design, background design, storyboards, and animation assets.
- Collaborated with creative teams to meet visual requirements and production schedules.

Video Editor | Sri Nityanand Pat. Ltd.

2017 – 2018

- Edited video content according to scripts and creative briefs, including cutting, sequencing, transitions, and audio synchronization.
- Supported post-production with compositing and finishing tasks to prepare polished final videos.
- Maintained consistency in pacing, visual quality, and storytelling throughout edited content.

Graphic Designer | Digi Monk

2016 – 2017

- Created graphic design assets, illustrations, layouts, and supporting visual content for digital and promotional projects.
- Worked with Adobe Illustrator, Adobe Photoshop, and CorelDRAW to deliver creative assets according to project requirements.
